

WHY ATTEND AN ASGA CONFERENCE?

1.

YOU'LL SAVE TIME GOING THROUGH OUR INTENSIVE TRAINING.

ASGA conference attendees are often amazed at how many ideas, tips, trends, and contacts they come away with in just one day.

2.

YOU'LL HAVE FUN!

Learning about Student Government doesn't have to feel like work. You'll laugh a lot and will enjoy getting to know the speakers and other attendees.

3.

YOU WON'T JUST SIT IN A CHAIR ALL DAY.

You'll be contributing your own ideas in workshops and discussing issues with peers during roundtables.

4.

YOU'LL FIND ONE THAT'S CONVENIENT.

No matter where your college is located, there's an ASGA conference nearby. We sponsor events in Atlanta, Boston, Chicago, Dallas, Los Angeles, New Orleans, New York, Orlando, Philadelphia, and Washington, D.C., giving you leeway to coordinate with your busy schedules.

5.

YOU'LL RECEIVE ADVICE TAILORED SPECIFICALLY FOR SGs.

ASGA is the only organization in the world whose sole focus is supporting and serving college SGs. Everything discussed at ASGA conferences revolves around making your SG more effective and influential.

6.

YOU'LL CONNECT WITH PASSIONATE AND KNOWLEDGEABLE SPEAKERS.

ASGA's speakers know their stuff—they're all former SG leaders and current advisors who have been in your shoes and want to help you reach your full potential as public servants.

7.

YOU'LL NETWORK WITH OTHER ADVISORS AND STUDENT LEADERS.

At most ASGA conferences, there are students and advisors from all types and sizes of colleges and universities.

8.

YOU WON'T BUST YOUR BUDGET.

Registration fees start at under \$200 for ASGA members and include a continental breakfast, lunch, conference handouts, a free ASGA T-shirt, as well as discounts on consulting and supplementary materials.

9.

YOU'LL HAVE A CHANCE TO BOND WITH YOUR SG TEAM.

With events held in popular destinations, you can schedule some fun outings during the trip to help everyone get acquainted on a more personal level.

10.

YOU WON'T HAVE TO MISS CLASS!

ASGA's regional conferences are held on Saturdays, giving you plenty of time to travel there and back over the weekend.
